*Graduation Edition*  
**YOUR SCHOOLS**

Class of '22,  
You are stronger than you know,  
more resilient than you ever  
thought you could be, better  
prepared than most people your  
age, and ready for a future that  
has yet to be written.

Best Wishes, and Thank You.

Mr. Murphy

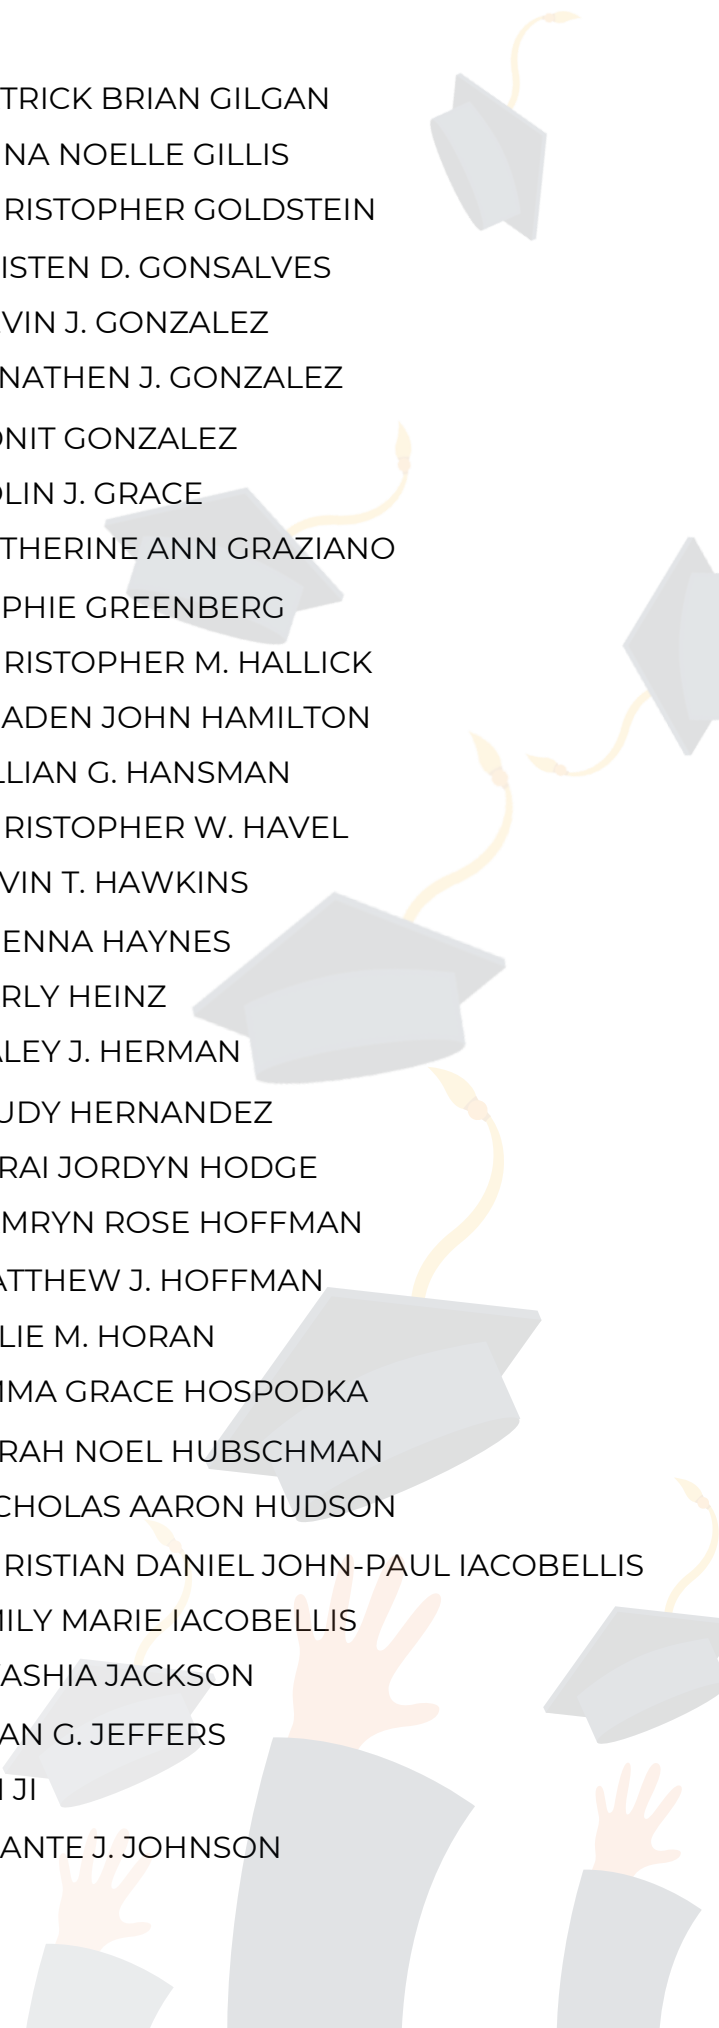

The background features several grey graduation caps (mortarboards) scattered across the page. Some have yellow tassels. At the bottom, there are illustrations of hands in grey sleeves, some reaching up as if holding or supporting the caps.

## SOUTH SIDE MIDDLE SCHOOL

SSMS  
Class of  
2022

To the Class of 2022,  
You have made it to the next level of your educational and life journey. You lived through the typical tumultuous life of a middle school student and you overcame a pandemic lifestyle. As Christopher Robin told his best friend, Winnie the Pooh, "Promise me you'll always remember you're braver than you believe, stronger than you seem, and smarter than you think." (A.A. Milne) And remember to spread kindness wherever you go. We at SSMS believe in you and cannot wait to see what you do!  
With love and respect, Ms. McGinn

# COVERT

*Elementary School*

Class of 2022,

Life is a journey that brings on the most unexpected things. Keep true to yourselves, follow a path of positivity, and always live by the following: work hard, play hard, treat everyone with the same respect that you deserve, follow your dreams and always believe that nothing is impossible with hard work and commitment. You are the future, and you can and will make a difference in the world!

Darren Raymar (DRAY)

# WATSON ELEMENTARY

To Watson's Class of 2022,

*Moving Up Ceremony*

Your time at Watson has prepared you to become independent and strong people, but that hasn't happened without you taking risks and showing how brave you are.

- B- Believe you are here for a reason
- R- Recognize the voice of your heart
- A- Accept that fear is part of the process
- V- Vow to do your best
- E- Expect the ups and downs

It makes me so proud to have you represent Watson in middle school and we will always remain a source of strength for each of you. Never underestimate your ability to change the world.

Love,

Mrs. Pascarella

I am extremely proud of your accomplishments and the perseverance you have demonstrated over the years. Hold your heads high, continue to build positive relationships, reach for the stars and know that there is nothing you cannot achieve if you put your mind to it.

Best Wishes,

Mr. Walter
