CONCUSSION ACKNOWLEDGEMENT IN FINAL FORMS: In regard to the concussion acknowledgement part of Final Forms...**all parent/guardians and athletes** will need to electronically sign off on this document acknowledging that they understand the signs and symptoms of a concussion. This differs from baseline concussion testing for contact sport athletes. Once a parent/guardian electronically signs this document, then the athlete will receive an email with instructions on how to sign off. The athlete will not be cleared without their electronic signature. If your athlete does not receive the email, have them look in their spam folder, then click that it is not spam, then go to the inbox and click the link to the document and sign off.

IMPACT BASELINE CONCUSSION TESTING: The following spring sports require a valid concussion test: Baseball, Softball, Boys Lacrosse, Girls Lacrosse. Concussion tests are valid for 2 years and your athletes most recent concussion test date has been entered in Final Forms. **For athletes in need of a concussion test, testing will take place on 3/19 & 3/20/24 from 2:45 – 3:45 pm.**

SCHOOL PHYSICALS WILL TAKE PLACE 3/19/24 BY THE SCHOOL PHYSICIAN. Please be sure to fill out all final forms paperwork and let the health office know that you plan on receiving a physical in school.

Once you fully complete all medical forms the health office can then clear your athlete.
