**American Rescue Plan (ARP) - Homeless Children and Youth (HCY) Part II Application**

ROCKVILLE CENTRE UFSD - 280221030000

**Summary & Background**

On March 11, 2021, President Biden signed into law the American Rescue Plan (ARP) Act of 2021. The ARP Act included an unprecedented \$800 million reservation within the Elementary and Secondary School Emergency Relief (ESSER) Fund to support the specific and urgent needs of homeless children and youth in recognition of the extraordinary impact of the coronavirus disease (COVID-19) pandemic on students experiencing homelessness. The Department is administering these funds through the ARP Homeless Children and Youth (ARP-HCY) Fund.

The ARP-HCY fund was created for the purposes of identifying homeless children and youth, providing wraparound services in light of the impact of the COVID-19 pandemic, and providing assistance needed to enable homeless children and youth to attend school and participate fully in school activities, including in-person instruction this spring and summer learning and enrichment programs.

After reserving \$1 million of the \$800 million (0.125 percent) for national activities including technical assistance, the USDE awarded the remaining \$799 million to State educational agencies (SEAs) as follows:

\$199,750,000 (25% of the \$799 million) was made available to States immediately. NYSED received approximately \$14,720,327 in this disbursement. This disbursement was designed to provide funding to States immediately as a supplement to their McKinney-Vento Education for Homeless Children and Youth HCY funds, so that States can address urgent needs of homeless children and youth—including academic, social, emotional, and mental health needs—and so States and local educational agencies (LEAs) can increase capacity by hiring staff, dedicating resources, and planning partnerships with community-based organizations, among other strategies. Funds must be administered by the Office of the State Coordinator for the Education of Homeless Children and Youth, consistent with the requirements for HCY funds. These funds were disbursed to eligible LEAs through the ARP-HCY Part I Application issued in November 2021.

\$599,250,000 (75% of the \$799 million) was made available to States after submitting the required application to USDE. Upon approval of New York's State Plan by the USDE, NYSED received approximately \$44,190,109 in the second disbursement. States are required to distribute the funds they will receive in the second phase to LEAs via a formula that uses the LEA's allocation under Title I, Part A (Title I) of the Elementary and Secondary Education Act of 1965 (ESEA) and the number of identified homeless children and youth in either 2018-19 or 2019-20, whichever was greater. For more information on the NYSED's approved ARP HCY plan, please visit <https://oese.ed.gov/files/2021/09/New-York-ARP-HCY-State-Plan.pdf>.

**Timeline**

Funds appropriated under the ARP-HCY program will be available for obligation until September 30, 2024.

**Allowable Uses of Funds**

ARP-HCY Part II funds supplement the HCY program, and all allowable HCY uses apply to these funds. For more information, LEAs should reference the list of authorized activities in section 723(d) of the HCY statute, 42 U.S.C. § 11433(d). These activities may include any expenses necessary to facilitate the identification, enrollment, retention, and educational success of homeless children and youth, such as:

- providing wraparound services (which could be provided in collaboration with and/or through contracts with community-based organizations, and could include academic supports, trauma informed care, social-emotional support, and mental health services);
- purchasing needed supplies (e.g., PPE, eyeglasses, school supplies, personal care items);
- providing transportation to enable children and youth to attend classes and participate fully in school activities;
- purchasing cell phones or other technological devices for unaccompanied youth to enable the youth to attend and fully participate in school activities;
- providing access to reliable, high-speed internet for students through the purchase of internet connected devices/equipment, mobile hotspots, wireless service

plans, or installation of community Wi-Fi hotspots (e.g., at homeless shelters), especially in underserved communities;

paying for short-term, temporary housing (e.g., a few days in a motel) when such emergency housing is the only reasonable option for COVID-safe temporary housing and when necessary to enable the homeless child or youth to attend school and participate fully in school activities (including summer school);

providing store cards/prepaid debit cards to purchase materials necessary for students to participate in school activities.

**Consortiums**

LEAs with allocations of less than \$5,000 will need to apply for ARP-HCY II funding as part of a consortium. Each consortium will identify a Lead Applicant who will be responsible for submitting a comprehensive application that includes a listing of all members of the consortium, and provides a program narrative and budget that meets the needs of the consortium as a whole.

A consortium Member will need to complete a brief application, which includes agreeing to the assurances for the grant, identification of the LEA's McKinney-Vento Liaison, and acknowledgement of the Lead Applicant for the consortium.

LEAs with allocations greater than \$5,000 that are not participating in a consortium (Single Applicants) will complete a comprehensive application that includes a program narrative and a budget.

**Project Period**

## Program Narrative

2. In the space provided below, please describe the extraordinary impact of the pandemic on students experiencing homelessness, including academic, social, emotional, and mental health needs.

COVID-19 has disrupted the lives of the Rockville Centre UFSD students and their families, but it has had even more of an impact on those students experiencing homelessness who are attending our schools. Students who are homeless in Rockville Centre are especially vulnerable due to the uncertainty of their living arrangements. They can experience unreliable access to the internet for remote learning and therefore struggle more with their academics. Often, our homeless students do not live in the school district and during remote learning lacked the ability to see friends and teachers in person. As a result, our students can experience low self-esteem which in turn impacts their mental health.

3. In the space provided below, please describe how the LEA intends to use ARP-HCY Part II funds to address the needs identified in #2 above, including, but not limited to activities intended to:
- Increase capacity by hiring staff, dedicating resources, and planning partnerships with community-based organizations, among other strategies;
  - Focus on identifying students this spring and to connect students experiencing homelessness and their families to summer learning and enrichment programs this summer (summer 2022), and to engage students and their families in preparation for this fall;
  - Identify historically underserved populations such as rural children and youth, Tribal children and youth, students of color, children and youth with disabilities, English learners, LGBTQ+ youth, and pregnant, parenting, or caregiving students experiencing homelessness; and
  - Work with community-based organizations for this purpose, as well as to provide wraparound services to these students.

These activities may include any expenses necessary to facilitate the identification, enrollment, retention, and educational success of homeless children and youth.

The Rockville Centre School District has added two social workers to its staff who are assigned to the high school where the majority of our homeless students attend. With the additional staff, the social workers are available to spend more time working with our homeless students and families. The social worker works with each homeless student to meet individualized academic and social-emotional needs and as a result, is building a caring and stable relationship with the student even if the family moves from place to place during the school year.

The ARP funding will help to supplement the cost of the salaries of the new social workers and ensure that those positions will be approved for next school year.
