

Finding your way around Discovery Education website.

After you login, click on  to access the many Discovery Education resources. On the left of the screen you will see the icons below.

	
 My DE	Your “Home Page” for your Discovery Education Experience.
 Streaming	Find videos to share with your students. Perform Keyword searches. Browse curated media, content collections organized around suggested lesson starters, and SOS strategies applicable to the topic.
 My Content	As you search and explore you can mark your favorite items that can be viewed and organized here.
 Classroom Manager	Manage your students and classes.
 Assignment Manager	View and manage assignments you create right in Discovery Education.
 Builder Tools	Create Assessments, Assignments, Boards and Writing Prompts.
 Professional Learning	Find tutorials, strategies and more to help you integrate Discovery Education into your curriculum.
 Discovery Educator Network (DEN)	Get ideas from other educators in the Discovery Educator Network.

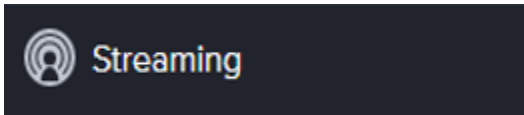

Get there by hovering on the side Navigation and Clicking My DE.

This section includes:

- Tools for organizing Classes, Students and Content and building Quizzes and Assignments.
- The services our district subscribes to (currently just Streaming)
- The DEN online community – learn, share and connect with other educators
- My DE Home Activity feed – timely events, free programs, upcoming events

- My DE Home Most Popular Content feed – Popular content the DE Community is currently searching for. (Can be filtered by Grade and Subject)
- My DE Home Conversations and Connections feed – Links to the latest DE Blog posts. (Can be filtered by topic)
- Global News – Weekly current events section (K-5 and 6-12 versions)
- On this Day – Content on various subjects (Click on the story to get more information and related DE resources.)
- Events – Highlights upcoming events such as virtual field trips, live events, etc.
- DE Twitter feed

Get there by hovering on the side Navigation and Clicking Streaming.

#### What's in the Streaming Section

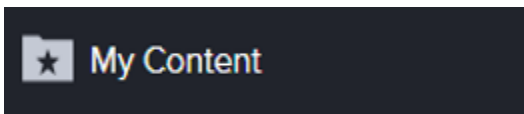

- Home – find hot topics in education
- Professional Learning Spotlight – Learn about Hot Educational Topics, STEM Career Challenges and Connect with the DEN community
- Trending in – See what topics are hot in the world
- New This Month – Find content that is new to DE
- Activity – See the content you have viewed recently

#### Browse for Content by Topic

- Select your Discipline
- Select your Grade Level
- Select your Topic
- For each subtopic there are
  1. A Content Collection (includes a description, Lesson Starters, Featured SOS Strategies and the media)
  2. A list of media related to that subtopic

#### Browse for Media by Content Standard

- Select your State
- Choose your standards document
- Choose your subject and grade
- Keep drilling down until you find the media

As you explore, make sure you save the media that relates to your content. You can organize your media into folders as well. In the My Content section you will see your My Content as well as your School and District content if those are being used.

You can upload your own videos to your My Content section of DE as well.

## Classroom Manager

Create classes and add students to them. Using classes, you can assign students videos, assignments and assessments.

## Assignment Manager

View all of your assigned material and results by class and students.

## Builder Tools

Create Assessments, Assignments, Writing Prompts and Boards.

## Professional Learning

This section includes:

- Learn & Lead - learn creative ways to maximize your digital integration and share with your colleagues. Here you will find Step-by-Step Guides, Interactive Courses and Educator Essentials.
- Strategies & Resources - Learn new and creative ways to integrate digital media into your curriculum.
  - Spotlight on Strategies are creative, research-based instructional strategies for utilizing media with your students.
  - Virtual Field Trips take your students into some of the most iconic locations.
  - #CelebrateWithDE series includes timely content, relevant instructional materials, and one-of-a-kind events connecting classrooms around the globe.

## Discovery Educator Network (DEN)

Connect with other teachers using Discovery Education:

- Join Discussion Groups
- Share Educator resources
